

## **Michael B. Larsen, MBA**

Currently the Executive Director of MCSIG. Municipalities Colleges Schools Insurance Group is a Joint Power Authority on California's Central Coast. MCSIG insures about 70 public agencies throughout California, primarily in education and is approaching 8,000 insured employees with 90% growth over the last year.

Prior to joining MCSIG Mr. Larsen worked as the CFO for Soledad Community Health Care District, a health care system. During his time with the system revenues were increased 20%-30% across all facilities year over. During the same time grants were won to fund new lines of service for women's health, including mammography, and improved prenatal and perinatal services.

Prior to joining the Health Care District, Mr. Larsen was in a financial leadership position with the Salt Lake City law firm Snow, Christensen & Martineau for 14 years.

Filling out a 20 year look back he spent a couple of years working for the Utah Jazz, and had the privilege of auditing the retail division both years they went to the finals against the Bulls in the late 90's.
